showcased
in **3** new venues

Durham Art Guild
has put over
\$29,000
into the pockets
of local artists

SOLD
35
works of art
to new patrons

Did you know there is over 19 million square feet of office space in Durham County and the RTP? **That represents an astronomical amount of wall space that needs to be rescued from generic, non-local art!** Let us help you find those walls and put your work on them.

The Durham Art Guild is a nonprofit member-driven visual arts organization established in 1948. For over seven decades we have supported local artists and advocated for the arts in our region. The Guild's mission is to enrich and connect our communities by creating opportunities and providing leadership for current and future visual artists and art enthusiasts.

Help us lead the way in getting local artwork purchased and displayed in local businesses. We can't build these relationships or improve upon this structure without your incredible talent to showcase and your feedback to evolve it. This initiative will require DAG, artists and partners to work closely together in growing this sustainable model of paid opportunities for local artists.
